PROXY STATEMENT

This Proxy Statement is furnished to the stockholders of Advanced Emissions Solutions, Inc., a Delaware corporation, ("ADES" or the "Company") in connection with the solicitation of proxies by the Company's Board of Directors (the "Board"), to be voted at our annual meeting of stockholders ("Annual Meeting" or "meeting") to be held at 9:00 AM (Mountain Time) on Tuesday, June 16, 2020, via virtual meeting, and any postponements or adjournments thereof. This Proxy Statement and accompanying form of proxy is first being made available to our stockholders on or about April 29, 2020. The shares represented by all proxies that are properly executed and submitted will be voted at the meeting in accordance with the instructions indicated thereon, and if no instructions are given, then to the extent permitted by law, in the discretion of the proxy holder. Throughout this Proxy Statement, the terms "we," "us" "our" and "our Company" refer to Advanced Emissions Solutions, Inc. and, unless the context indicates otherwise, our consolidated subsidiaries.

PARTICIPATION IN VIRTUAL MEETING

In accordance with Delaware law, the Board has authorized that the Annual Meeting be held via virtual meeting, and accordingly, stockholders and proxy holders virtually attending the Annual Meeting are deemed present in person for purposes of determining the presence of a quorum.

The only item of information needed to access the Annual Meeting from the website is the 16-digit control number located in the Notice of Internet Availability of Proxy Materials or on your proxy card.

Please have the notice of internet availability or proxy card in hand when you access the website and then follow the instructions. If you are a stockholder of record, you are already registered for the virtual meeting.

VOTING RIGHTS AND VOTE REQUIRED

Our Board has fixed the close of business on April 20, 2020 as the record date (the "Record Date") for determination of stockholders entitled to notice of and to vote at the meeting. On the Record Date, 18,493,450 shares of our common stock were issued and outstanding, each of which entitles the holder thereof to one vote on all matters that may come before the Annual Meeting. We do not have any class of voting securities outstanding other than our common stock. An abstention or withholding authority to vote will be counted as present for determining whether the quorum requirement is satisfied. If a quorum exists, actions or matters other than the election of the Board are approved if the votes cast in favor of the action exceed the votes cast opposing the action unless a greater number is required by the Delaware General Corporation Law (the "DGCL") or our Second Amended and Restated Certificate of Incorporation. The six nominees receiving the highest number of votes cast will be elected as directors. Abstentions will not affect the election of directors.

If, as of the Record Date your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then that firm or organization is the stockholder of record for purposes of voting at the Annual Meeting and you are considered the beneficial owner of shares held in "street name." If you are a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares held in your account. If you do not instruct your broker on how to vote your shares, your brokerage firm, in its discretion, may vote your shares on routine matters or they may elect not to vote your shares. The proposal to ratify the appointment of our independent registered public accounting firm for the fiscal year ending December 31, 2020 is considered a "routine matter," but the other proposals being voted on at the Annual Meeting are not considered "routine matters" and brokers will not be entitled to vote on those proposals absent specific instructions and authorization from the beneficial owners of the shares. If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute "broker non-votes." A broker non-vote occurs when a nominee holding shares for a beneficial holder does not have discretionary voting power and does not receive voting instructions from the beneficial owner. Broker non-votes on a particular proposal are considered present for purposes of determining a quorum, but will not be treated as shares present and entitled to vote on any proposal other than the ratification of our public accounting firm and accordingly will have no effect on such vote.

If you are a beneficial owner and not a stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent and bring such proxy to the Annual Meeting.

A minimum of one-third of the shares of our common stock ("Common Stock") issued and outstanding must be represented at the meeting in person or by proxy in order to constitute a quorum. Cumulative voting is not allowed for any purpose.

Unless instructions to the contrary are marked, or if no instructions are specified, shares represented by proxies will be voted:

FOR ALL the persons nominated by the Board for Directors, being: Carol Eicher, Brian Leen, Gilbert Li, R. Carter Pate, J. Taylor Simonton, and L. Spencer Wells;

FOR the approval, on an advisory basis, of the compensation of the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis,

compensation tables and narrative discussion as set forth under the Executive Compensation section of this Proxy Statement;

FOR the ratification of the appointment of Moss Adams LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2020; and

FOR the approval of the Third Amendment of the Company's Tax Asset Protection Plan.

We do not know of any other matter or motion to be presented at the Annual Meeting. If any other matter or motion should be presented at the Annual Meeting upon which a vote must be properly taken, to the extent permitted by law, the persons named in the accompanying form of proxy intend to vote such proxy in the discretion of such person as the directors of the Company may recommend, including any matter or motion dealing with the conduct of the Annual Meeting.

Voting by Mail, Facsimile, via the Internet or by Telephone

Stockholders whose shares are registered in their own names may vote by mailing or faxing a completed proxy card, via the internet or by telephone. Instructions for voting via the internet or by telephone are set forth on the included proxy card. To vote by mailing or faxing a proxy card, sign and return the available proxy card to the Company and your shares will be voted at the Annual Meeting in the manner you direct. If no directions are specified, your shares will be voted as described above.

If your shares are registered in the name of a bank or brokerage firm, you may be eligible to vote your shares over the internet or by telephone rather than by mailing a completed voting instructions card provided by the bank or brokerage firm. Please check the voting instructions card provided by your bank or brokerage house for availability and instructions. If internet or telephone voting is unavailable from your bank or brokerage house, please complete and return the voting instructions card provided by the bank or brokerage firm.

Any stockholder who completes a proxy or votes via the internet or by telephone may revoke the action at any time before it is exercised at the Annual Meeting by delivering written notice of such revocation to the Company's Secretary (Greg P. Marken), 8051 E. Maplewood Ave, Suite 210, Greenwood Village, CO, 80111, by submitting a new proxy executed at a later date, or by joining the virtual meeting and voting such stockholder's shares in a manner different to his, her, or its previously completed proxy card.

The Company is bearing the costs of this solicitation of proxies.

Board Leadership Structure and Role in Risk Oversight

We have a policy of keeping the roles of Chief Executive Officer and Chairman of the Board separate, and the roles are currently filled by two different individuals. We believe this arrangement is appropriate as it recognizes the distinction between the role played by the Chief Executive Officer, which is a position being more heavily oriented towards day-to-day management, while the Chairman functions as an independent director, whose role is to oversee the Board and is also able to participate in and chair executive sessions of the Board.

The Board has designated the Audit Committee to take the lead in overseeing risk management, and the Audit Committee periodically reports to the Board regarding briefings provided by management and advisors as well as the Audit Committee's own analysis and conclusions regarding the adequacy of the Company's risk management processes. In addition to this compliance program, the Board encourages management to promote, and management is committed to promoting, a corporate culture that incorporates risk management into the Company's strategy and day-to-day business operations. The Board and management continually work together to assess and analyze our most likely areas of risk.

Audit Committee

Our Board has an Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Mr. Simonton currently serves as the Chairman of the Audit Committee. For 2019, our Board appointed Messrs. Simonton and Pate and Ms. Eicher to serve on the Audit Committee. For 2018, our Board appointed Messrs. Simonton, Li and Pate to serve on the Audit Committee. Our Board determined that Messrs. Simonton and Pate and Ms. Eicher are each an "audit committee financial expert." Each Audit Committee member is "independent" as that term is used in the listing requirements for the NASDAQ Stock Market, and a brief listing of his relevant experience is stated in his biography above under the caption entitled "Directors of the Company."

The role and functions of the Audit Committee are set out in the Audit Committee Charter, originally adopted by the Company's Board and most recently amended on August 11, 2016. The role of the Audit Committee is one of oversight of the services performed by the Company's independent registered public accounting firm. The Audit Committee's functions include the following: reviewing and assessing the Audit Committee Charter annually; overseeing the Company's compliance with legal, ethical and regulatory requirements, including the Code of Ethics and Business Conduct and approving related party transactions; overseeing the Company's processes to identify and manage business and financial risk; appointing, approving the compensation of and reviewing the Company's relationships with its independent registered public accounting firm and/or other auditors and assessing the impact such relationships may have on the auditors' objectivity and independence; taking other appropriate action to oversee the independence of the outside auditors; reviewing and considering the matters identified in Auditing Standard No. 1301 adopted by the Public Company Accounting Oversight Board ("PCAOB") with the outside auditors and management; reviewing and discussing the Company's financial statements and report on internal control with the outside auditors and management; reviewing the financial reporting process and discussing with management and our independent registered public accounting firm the interim and annual financial statements that we file with the SEC; and reporting to the Board on all such matters. In performing its oversight function, the Audit Committee relies upon advice and information received in its discussions with the Company's management and independent registered public accounting firm. The Audit Committee pre-approves all audit or non-audit services performed by our independent registered public accounting firm in accordance with Audit Committee policy and applicable law.

Compensation Committee

For 2019, our Board appointed a Compensation Committee currently consisting of Messrs. Li, Pate and Wells. Mr. Pate currently serves as the Chairman of the Compensation Committee. For 2018, our Board appointed a Compensation Committee consisting of Messrs. Li, Pate and Wells. The responsibilities of the Compensation Committee, as set forth in the Compensation Committee Charter include reviewing our executive compensation programs to analyze their alignment with attracting, retaining and motivating our executive officers to achieve our business objectives; establishing annual and long-term performance goals for our executive officers and evaluating their performance in light of such goals; reviewing, approving and, when appropriate, making recommendations concerning our long-term incentive plans; reviewing and making recommendations regarding stockholder proposals related to compensation; and administering our equity-based and employee benefit plans. See "Executive Compensation" below for additional information.

Nominating and Governance Committee

For 2019, our Board appointed a Nominating and Governance Committee currently consisting of Ms. Eicher and Messrs. Li and Pate. Ms. Eicher currently serves as the Chairman of the Nominating and Governance Committee. For 2018, our Board appointed Messrs. Li, Pate and Simonton to serve on the Nominating and Governance Committee. The responsibilities of the Nominating and Governance Committee include recommending the number of directors to serve on the Board; selecting director nominees for the Board; reviewing director compensation and benefits; submitting the same to the entire Board for approval; overseeing the annual self-evaluation of the Board and its committees; recommending the structure and composition of Board committees to the entire Board for approval; monitoring in conjunction with the Audit Committee compliance with our Code of Ethics and Business Conduct; granting any waivers thereto with respect to directors and executive officers; recommending individuals to serve as Chairman of the Board and Chief Executive Officer; and reviewing the Chief Executive Officer's recommendations for individuals to serve as executive officers and analyzing and recommending such persons to the Board.

Criteria established for the selection of candidates for the Board include:

- An understanding of business and financial affairs and the complexities of an organization that operates as a public company;
- A genuine interest in representing all of our stockholders and the interests of the Company overall;
- A willingness and ability to spend the necessary time required to function effectively as a director;
- An open-minded approach to matters and the resolve and ability to independently analyze matters presented for consideration;
- A reputation for honesty and integrity that is above reproach;
- Any qualifications required of independent directors by the NASDAQ Stock Market and applicable law; and
- As to any candidate who is an incumbent director (who continues to be otherwise qualified), the extent to which the continuing service of such person would promote stability and continuity amongst the Board as a result of such person's familiarity and insight into the Company's affairs, and such person's prior demonstrated ability to work with the Board as a collective body.

Director nominees are generally identified by our directors, stockholders or officers based on industry and business contacts. Regardless of the source of the nomination, nominees are interviewed and evaluated by the Nominating and Governance Committee, other members of the management team, and the Board as deemed appropriate by the Nominating and Governance Committee. The Nominating and Governance Committee then presents qualified candidates to the Board for a final discussion and vote.

We do not have a formal policy with respect to the consideration of diversity in the identification of director nominees, but the Nominating and Governance Committee strives to select candidates for nomination to the Board with a variety of backgrounds and complementary skills so that, as a group, the Board possesses the appropriate talent, skills, perspectives and expertise to oversee the Company's businesses.

Under the Nominating and Governance Committee Charter, the Nominating and Governance Committee will consider nominees submitted by our stockholders. Recommendations of individuals that meet the criteria set forth in the Nominating and Governance Committee Charter for election at our 2021 Annual Meeting of Stockholders may be submitted to the Nominating and Governance Committee in care of Greg P. Marken, Chief Financial Officer and Secretary, at 8051 E. Maplewood Ave, Suite 210, Greenwood Village, CO 80111 no later than December 31, 2020.

RELATED PARTY TRANSACTIONS

On May 5, 2017, the Board adopted a Tax Asset Protection Plan (the "TAPP") in an effort to protect stockholder value by attempting to diminish the risk that the Company may be limited to its ability to use its net operating losses and general business credit carry-overs (collectively, the "Tax Attributes") to reduce potential future federal income tax obligations. If the Company experiences an "ownership change," as defined in Section 382 of the Internal Revenue Code, its ability to use the Tax Attributes may be substantially limited, and the timing of the usage of the Tax Attributes could be substantially delayed, which could therefore significantly impair the value of that asset. The TAPP is intended to act as a deterrent to any person acquiring beneficial ownership of 4.99% or more of the Company's Common Stock without the approval of the Board. The Board may, in its sole discretion, exempt any person from triggering the shareholder rights described in the TAPP.

On April 6, 2018, the Board approved the First Amendment to the Tax Asset Protection Plan (the "Amendment") that amended the TAPP. The Amendment extended the duration of the TAPP to December 31, 2019. At the Company's 2018 annual meeting, the Company's stockholders approved the Amendment. On April 5, 2019, the Board approved the Second Amendment to the Tax Asset Protection Plan (the "Second Amendment") that further amends the TAPP, as amended. The Second Amendment extended the duration of the TAPP to December 31, 2020. At the Company's 2019 annual meeting of stockholders, the Company's stockholders approved the Second Amendment.

Gilbert Li, a director of the Company, is the Co-Founder and Managing Partner of Alta Fundamental Advisers ("Alta"), a private investment company that beneficially owned as of March 31, 2020 approximately 10.63% of the Company's outstanding Common Stock. In each of 2018 and 2019, Alta requested an exemption under the TAPP for the acquisition or ownership of outstanding common stock of the Company (individually, the "Alta Exemption Request") in order to purchase additional shares of Common Stock without triggering the shareholder rights described in the TAPP.

On November 6, 2018 and November 25, 2019, respectively, the Board, with Mr. Li abstaining, and the Audit Committee of the Board, approved each Alta Exemption Request and the related party transaction.

On February 27, 2019, the Board voted to increase the size of the Board from five directors to seven directors and appointed Brian Leen to the Board to fill one of the resulting vacancies effective February 27, 2019. Mr. Leen served as President and Chief Executive Officer of Carbon Solutions until December 7, 2018, the date of the Carbon Solutions Acquisition.

In connection with the Carbon Solutions Acquisition, Mr. Leen's position with Carbon Solutions was eliminated. Mr. Leen and the Company entered into a Release of Claims and Separation Agreement (the "Separation Agreement"), pursuant to which the Company agreed to pay him \$2.2 million in compensation, which included previously agreed to retention bonuses plus a year of severance pay in the form of salary and bonuses, over the 52 weeks following the effective date of this Separation Agreement.

As a non-employee director, Mr. Leen will receive the compensation offered to all of the Company's non-employee directors for services on the Board, as disclosed below.

DIRECTOR COMPENSATION

Our Nominating and Governance Committee has responsibility for reviewing the compensation plan for our non-management directors annually and making recommendations to the entire Board for approval. The Nominating and Governance Committee has not delegated authority to any other person to determine director compensation. Our management has made recommendations to the Nominating and Governance Committee regarding their views as to the appropriate amount and form of compensation (i.e., cash or stock) and tax and accounting ramifications of awards. In addition, the executive officer who serves on our Board votes on the recommendations for director compensation made by the Nominating and Governance Committee to the Board.

The Nominating and Governance Committee periodically reviews industry data from the National Association of Corporate Directors Director Compensation Report and Survey Data and evaluates industry averages, personal liability risks and other factors relating to director compensation. The last survey review by the Nominating and Governance Committee, utilizing market data for director compensation from various sources was completed in November 2017. Based on the Nominating and Governance Committee's recommendation in November 2017, no adjustments have been made to director compensation previously set in May 2016, and the Board re-approved director compensation, for non-management Company directors, as described below.

In February 2019, the Nominating and Governance Committee created a new committee, the Activated Carbon Committee, which was created to evaluate adjacent market growth opportunities for the activated carbon business. This committee was subsequently disbanded by the Board effective April 8, 2020. While the Active Carbon Committee was in existence, Mr. Leen, served as Chairman and Mr. Simonton and Ms. Eicher served on the committee.

The Compensation Committee retained Lyons, Benenson & Company ("LB & Co."), to provide a market analysis of the Company's director compensation relative to our peer companies and to recommend the amount and form of such compensation to be paid in the future. Based on this peer company information and other matters considered, the Compensation Committee adjusted director compensation for 2020. For the Annual Retainer, effective January 1, 2020, directors will be paid at least 50% in Company stock. On January 1, 2020, the Company granted an additional 974 shares of common stock to Ms. Eicher, Messrs. Leen, Pate, Simonton and Wells. Cash compensation was reduced.

Due to the current economic environment related to the coronavirus outbreak (COVID-19) and out of an abundance of caution, on April 8, 2020, the Board of Directors voted to reduce by 25% the cash portion of the directors' annual retainer starting in the second quarter of 2020. This decision will be re-evaluated in the third quarter of 2020.

COMPENSATION DISCUSSION AND ANALYSIS

In this Compensation Discussion and Analysis, we provide an analysis and explanation of our compensation program and the compensation earned by our executive officers in the fiscal year ended December 31, 2019. Our Compensation Committee is charged with establishing the Company's philosophy for executive compensation and approval, oversight, implementation and administration of executive compensation and benefits. Generally, the President and Chief Executive Officer of the Company makes recommendations to the Compensation Committee regarding executive compensation other than for himself; however, authority to approve compensation, performance goals and objectives for all named executive officers is vested in the Compensation Committee.

For compensation awarded in 2019, in addition to extensive communications among its members, the Compensation Committee reviewed market compensation analysis and peer group compensation data. Further, the Compensation Committee reviewed recommendations made by the Company's management for performance, experience and retention and was supported by generally available market data.

Overview - Executive compensation philosophy

Our philosophy for executive compensation is set forth in a document entitled "Executive Compensation Philosophy and Objectives" (the "EC Philosophy") adopted by the Compensation Committee on January 2, 2014. The EC Philosophy, which our Compensation Committee continues to follow, is designed to support achievement of our strategies and goals, thereby creating long-term value for our stockholders and customers and ensuring our ability to recruit and retain highly qualified executive employees. Our EC Philosophy:

- Supports the Company's vision, mission, strategy, and values to generate profitability and sustained growth in the long-term best interests of our stockholders;
- Aligns executive compensation with measures of performance tied to the strategic and operational performance of the business and stockholder returns;
- Rewards executives on the basis of merit for individually and collectively achieving a leadership culture, innovation and excellence within the Company, and delivering sustained high performance to the Company, taking into consideration each executive's qualifications, level of responsibility and contribution to the Company's long-term performance;
- Encourages competency-building by linking career development, performance management and compensation rewards;
- Attracts and retains the best executive talent and a highly qualified diverse workforce within a non-discriminatory, merit-based compensation program; and
- Uses external compensation data to benchmark comparable positions in similar industries and companies within our geographical region as one key factor in establishing the competitiveness of our executive salaries, incentives and benefits.

Our Compensation Committee has made incentive cash bonuses and long-term equity incentive awards consistent with the EC Philosophy. The long-term equity incentive awards are made under our 2017 Omnibus Incentive Plan (the "2017 Plan"). We

believe that our compensation policies and practices do not motivate excessive or imprudent risk-taking. We note the following key aspects of our compensation policies and practices in making this determination:

- The Company's EC Philosophy is based on balanced performance metrics that promote disciplined progress towards long-term Company goals in addition to the short-term health of the organization;
- We do not offer significant short-term incentives that might drive high-risk investments at the expense of long-term Company value; and
- The Company's compensation programs are weighted towards offering long-term incentives.

Because of these factors, we believe that our compensation policies and practices, both for our employees and our executive officers, do not create risks that are reasonably likely to have a material adverse effect on the Company.

The Company provides its stockholders with the opportunity to cast an advisory vote on annual executive compensation (a "say-on-pay proposal"). At the Company's Annual Meeting in 2019, approximately 95.3% of the votes cast on the say-on-pay advisory vote regarding the executive compensation for the fiscal year ended December 31, 2019 were in favor of the proposal, which the Compensation Committee reviewed in assessing executive compensation for the fiscal year ending December 31, 2020. Proposal 2 included in the Proxy Statement is a say-on-pay advisory vote regarding the executive compensation for the fiscal year ending December 31, 2020 as described in this Proxy Statement. The Compensation Committee will continue to consider the results of the Company's say-on-pay votes when making future compensation decisions for the Company's executive officers, including named executive officers.

On February 26, 2020, the Compensation Committee adopted amendments to the Long-Term Incentive Plan ("LTIP") and Executive Short-Term Incentive Plan ("ESTIP") documents that are within the EC Philosophy. While the philosophy has not changed, the incentives for our executive officers were updated in order to promote progress towards long-term Company goals in addition to the short-term health of the organization.

Independent Compensation Consultant

For compensation related to 2020 and beyond, the Compensation Committee retained LB & Co., to provide a market analysis of the Company's executive and director compensation relative to our peer companies and to recommend the amount and form of such compensation to be paid in the future. LB & Co. compared the compensation practices of the Company to 17 peer group companies from a number of similar industries, including Commodity Chemicals, Environmental and Facility Services, Fertilizers and Agricultural Chemicals, Industrial Machinery, Oil and Gas Equipment and Services, Oil and Gas Refining and Marketing, and Specialty Chemicals. The Compensation Committee reviewed these peer companies and approved their use for comparison to the Company.

Compensation of Named Executive Officers

The Company's named executive officers ("NEOs") for 2019 were:

Name	Age	Positions
L. Heath Sampson	49	President and Chief Executive Officer
Greg P. Marken	38	Chief Financial Officer, Treasurer and Secretary
Joe M. Wong	59	Chief Technology Officer

Mr. Sampson has resigned as our President and Chief Executive Officer, which resignation will be effective as of June 30, 2020 and the effective date of his resignation as a director is June 16, 2020, the date of the Company's next annual stockholders meeting. The Board appointed Greg Marken, the Company's current Chief Financial Officer, Treasurer and Secretary as interim President and Chief Executive Officer, effective as of July 1, 2020.

The compensation for our NEOs currently consists of three elements: base salaries, annual incentive cash bonuses and long term equity incentive awards in the form of RSA's. Executive compensation is designed to reward performance in a straightforward and transparent manner.

Base Salaries

Base salary is defined as ongoing, cash compensation paid bi-weekly based on such factors as job responsibilities, external competitiveness, and the individual's experience and performance. Pay ranges have been set based on the market where the Company competes for similar positions, with consideration given for employees serving similar functions in comparable companies. Base salary is typically increased annually based on performance and cost of labor/living increases. With the use of market data, the Compensation Committee considers the size of and whether to grant merit increases based on data from comparable companies, as well as review of an officer's annual performance and meeting of objectives. The Company attempts

to ensure middle market pay for solid performers and to consider higher levels of pay for outstanding performers. The Company does not intend to be a market leader in base compensation.

On March 1, 2018, the Compensation Committee approved an increase in Mr. Marken's base salary to \$300,000, effective March 1, 2018, given his promotion to Chief Financial Officer and Treasurer, in addition to his continued role as Secretary.

On February 27, 2019, the Compensation Committee approved an increase in Mr. Marken's base salary to \$309,000, effective April 1, 2019, based on general market data.

Incentive Compensation

The Company uses incentive compensation in the form of cash, stock and other equity awards to motivate executives and align executive and stockholder interests. Incentive amounts are set based on job position and market practices. Incentives paid are subject to payroll taxes and other customary withholdings.

The Short-Term Incentive Plan ("STIP") is designed to motivate executives to achieve critical short-term goals, typically within a twelve-month period, that are expected to contribute to the long-term health and value of the Company. Incentives may be paid in cash or equity as determined by the Compensation Committee. The Compensation Committee adopted the ESTIP in September 2015 to further establish terms and conditions for cash awards made under the STIP. The Compensation Committee makes STIP awards under the 2017 Plan and the ESTIP.

The LTIP is designed to align executives' interests with those of the Company's stockholders and to provide consistency with the Compensation Committee's approach to performance-based pay. Equity awards are the primary long-term incentive instrument and may be in the form of RSAs or performance stock units ("PSUs"). Equity awards vest over time based on continuous service, or over time based on achievement of certain performance measures set by the Compensation Committee at the time of the grant, considering accounting and regulatory restrictions and the financial condition of the Company. Awards under the LTIP to a participant will typically be made 50% as RSAs and 50% as PSUs. PSUs are vested upon achievement, as certified by the Compensation Committee, of one or more performance measures measured over one to three years. The Company's updated LTIP was adopted February 26, 2020. LTIP awards are made under the 2017 Plan. Generally, equity awards are granted on the same day that the Compensation Committee approves such award.

From time to time, the Board or Compensation Committee may recognize exemplary performance of any executive with a cash or equity award. Exemplary performance is performance that the Board or Compensation Committee determines to have required significant effort and commitment and is determined to have had a significant positive impact on the current or future performance of the organization. No other payments were made in 2019 and 2018 except as set forth below under the "Additional Executive Compensation Awards" section.

The stock portions of the 2019 and 2018 incentive awards are shown below in the Summary Compensation table under the "Stock Awards" column. The cash portions of the 2019 and 2018 incentive awards, which are defined under the STIP, are shown below in the Summary Compensation table under the "Non-Equity Incentive Plan Compensation" column.

Other Aspects of Executive Employment

In the event of a restatement of income, any overpayments of incentive pay made to executives based on such restatement of income may be reclaimed at the discretion of the Compensation Committee. ADES' Insider Trading Policy prohibits directors

and executives from entering into any transaction relating to hedging ADES securities, including zero-cost collars or forward-sale transactions.

We maintain key person term insurance for our Chief Executive Officer in the amount of \$5 million. The policies may be assigned to the individuals upon termination of employment (other than for cause) whereupon the executive would be responsible for any premium payments. We maintain long term disability policies for executives of the Company for up to \$174,000 per year.

Executives are encouraged to own a number of shares of our Common Stock equal to a value of at least one times their annual base salary. Ownership is calculated considering holdings of restricted stock and PSU's, whether or not such holdings have vested, private holdings, shares held in retirement accounts and other shares attributed to the executive in accordance with Section 16 of the Exchange Act. Holding of options to purchase shares of our Common Stock also will be considered in the ownership calculation by adding the value of the spread of in-the-money options to the total value of other holdings. Messers. Sampson and Marken of the Company met the executive equity ownership guidelines as of December 31, 2019. Mr. Wong, a new NEO, has generally a 3-year period in which to meet the executive equity ownership guidelines.

So long as the stock ownership guidelines are met, executives may sell unrestricted stock and may exercise vested stock options and sell shares of the Company's Common Stock to pay for the exercise price and withholding tax, except as otherwise provided for in the underlying stock option agreement. It is preferred that executives own shares of the Company's Common Stock for a period greater than twelve months before selling it. Executives are advised to seek pre-approval of any exercise of stock options or sale of shares of our Common Stock at least 30 days in advance or the executive must be engaged in a pre-announced program sale in compliance with federal securities laws. All executive stock transactions must be made in compliance with our insider trading policy.

Pursuant to Section 16(b) of the Exchange Act, executives leaving the Company are encouraged to hold their stock in the Company for at least six months after leaving the Company.

The Company's Profit Sharing Retirement Plan ("401(k) Plan") is available to all eligible employees, including NEOs. Beginning in 2018, the Company elected to make safe harbor nonelective contributions to eligible employees. Pursuant to the safe harbor nonelective contributions notice, we make contributions to each eligible employee's account in an amount equal to three percent of eligible compensation, and will continue to do so unless the 401(k) Plan is amended or terminated. Additionally, at the discretion of the Board, the Company may make contributions based on the profitability of the Company to those accounts. In 2019, we made our matching contributions in cash. No discretionary contributions were made to the 401(k) Plan in 2019 other than as discussed above.

Employee and Company contributions to the 401(k) Plan are 100% vested.

Equity Compensation Plans (Stock Incentive Plans)

2017 Omnibus Incentive Plan

During 2017, the Board adopted the 2017 Plan, which authorized the issuance of shares of Common Stock, restricted stock or other rights or benefits under the plan to any employee, director, or consultant of the Company or its subsidiaries. The Board approved the 2017 Plan in April 2017 and our stockholders approved the plan at the 2017 Annual Meeting. The purposes of the 2017 Plan are to attract and retain the best available personnel, to provide additional incentives to employees and consultants and to promote the success of the Company's business. The number of shares authorized for issuance under the 2017 Plan is limited to 2,000,000.

The 2017 Plan will end 10 years after the date of its adoption, if not earlier terminated by the Board. It may be amended, modified or terminated at any time if and when it is advisable in the absolute discretion of the Board, although certain amendments are subject to approval of regulatory bodies and our stockholders. The Compensation Committee is the plan administrator of the 2017 Omnibus Incentive Plan. During 2019, 287,288 RSA's were granted from the 2017 Plan. As of December 31, 2019, 1,464,159 shares of Common Stock are available for issuance under the 2017 Plan.

Employment Agreements

L. Heath Sampson and Greg P. Marken

We have executed employment agreements with each of Messrs. Sampson and Marken.

In 2014, we amended the employment agreements of our existing executive officers at the time (the "2014 Amendment"). The 2014 Amendment clarifies the Company's and the executive officer's obligations in the event of death, disability or termination of employment. The amendments also contain certain covenants addressing non-competition, non-solicitation and non-divergence. Similarly, our executive officers hired after 2014 have executed a rider (the "Rider") to their employment agreements that contain provisions and covenants similar to those contained in the 2014 Amendment.

Pursuant to the terms of the employment agreements, as amended, upon termination of employment we must pay the terminated executive his or her base salary and other accrued benefits through the termination date. We must also pay additional amounts depending upon whether the termination was for or without "Cause" or "Good Reason," or whether the termination was for or without Cause or Good Reason following a "Change in Control."

If we terminate the executive's employment without Cause or if the executive resigns for Good Reason, we must pay the executive 12 months base salary.

If we terminate the executive's employment without Cause or if the executive resigns for Good Reason within 12 months following a Change in Control, we must pay 12 months base salary and the pro-rated portion of short term incentive cash bonuses that would have been earned if the executive had been employed for the full year as well as pay in stock the value of certain unvested equity awards.

For purposes of the 2014 Amendment, "Cause" means one or more of the following, where such conduct has had or is reasonably likely to have a material detrimental effect on the Company or a related person: (i) dishonesty, willful misconduct, or material breach of the Company's Code of Conduct; (ii) felony conviction of a crime involving dishonesty, breach of trust or physical harm to any person; or (iii) a breach of any fiduciary duty.

For purposes of the Rider, "Cause" means (i) the failure by an executive to substantially perform the essential functions of executive's duties or obligations in a satisfactory manner or material breach of any written agreement with us or an affiliate; (ii) dishonesty, willful misconduct, or material breach of our Code of Ethics and Business Conduct, knowing violation of any federal or state securities or tax laws, or any misconduct that is, or is reasonably likely to be, materially injurious to us or an affiliate; (iii) conviction of or plea of guilty or no contest to a crime involving dishonesty, breach of trust or physical harm to any person; or (iv) a breach of any fiduciary duty and such conduct has had or is reasonably likely to have a material detrimental effect on us or a related person.

For purposes of all of the employment agreements of our executive officers, "Good Reason" means a material (and permanent in the case of the Riders) reduction in the executive's compensation, a material diminution in authority, duties or responsibilities, or a relocation of more than 50 miles, subject to our right to cure. A "Change in Control" means a change in our ownership or control effected by a direct or indirect acquisition of more than 50% of our total combined voting power, replacement of our directors by directors whose appointment or election is not endorsed by our directors serving immediately prior to such replacement, or a change in the ownership of a substantial portion of our assets.

Joe M. Wong

Mr. Wong, an employee of Carbon Solutions, became our employee upon closing of the Carbon Solutions Acquisition and we continue to employ him on the terms of his original employment agreement, as amended, with Carbon Solutions (the "Wong Agreement"). The Wong Agreement contains provisions related to his position, duties, authority, obligations, compensation and benefits. Under the terms of the Wong Agreement, he signed a separate confidentiality agreement and prevents him from competing with Carbon Solutions during the term of his employment. Mr. Wong receives a standard package of employee benefits under the Wong Agreement and is also eligible to receive an incentive bonus and to participate in a management equity program. Under the terms of the Wong Agreement, Mr. Wong is eligible to receive up to 50% of his base salary as a bonus based on achieving certain performance targets established by the Company.

Mr. Wong and the Carbon Solutions also entered into an Addendum to Employment Agreement, effective as of May 30, 2019 (the "Wong Addendum"), pursuant to which Carbon Solutions agreed to give Mr. Wong certain benefits in the event of his termination without "Cause". These benefits included one year of severance at Mr. Wong's then-current base salary rate, COBRA payments on behalf of Mr. Wong and his spouse for one year or until he becomes covered under another health care plan, immediate vesting of all of Mr. Wong's time-based restricted stock awards in the Company, and six months of outplacement services.

For purposes of the Wong Addendum, "Cause" means one or more of the following: (a) Mr. Wong's failure to substantially perform his essential duties or obligations in a satisfactory manner; (b) Mr. Wong's material breach of any written agreement between him and the Company; (c) evidence of Mr. Wong's dishonesty, willful misconduct or material breach of the Carbon Solutions' code of conduct, including its insider trading policy, or a knowing violation of any federal or state securities or tax laws or any misconduct that is, or is reasonably likely to be, materially injurious to Carbon Solutions, monetarily or otherwise; or (d) Mr. Wong's conviction of, or plea of guilty or no contest, to a crime involving dishonesty, breach of trust or physical harm to any person.

PROPOSAL THREE

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has appointed Moss Adams LLP ("Moss Adams") to be the Company's independent registered public accounting firm for the fiscal year ending December 31, 2020. Moss Adams has served as the Company's independent registered public accounting firm since 2017, including the fiscal year ended December 31, 2017.

Stockholder ratification of the Audit Committee's selection of Moss Adams as our independent registered public accounting firm as requested in Proposal 3 is not required by our bylaws or otherwise. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain this firm. We anticipate that a representative of Moss Adams will be available at the Annual Meeting to respond to stockholder questions and will have the opportunity to make a statement at that time if the representative desires to do so.

Additional information about Audit Fees and Audit Committee Approval of Services can be found under the Independent Registered Public Accounting Firm section of this Proxy Statement.

Board Recommendation

Our Board recommends a vote "**FOR**" the ratification of the Audit Committee's appointment of Moss Adams LLP as the company's independent registered public accounting firm for the fiscal year ending December 31, 2020.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee's role and functions are described under the "Corporate Governance" section of this Proxy Statement.

The Audit Committee held seven meetings in 2019. The Audit Committee has (i) reviewed and discussed the Company's audited financial statements for the year ended December 31, 2019 with the Company's management; (ii) discussed with the Company's current independent registered public accounting firm, Moss Adams, the matters required to be discussed by Public Company Accounting Oversight Board ("PCAOB") standards regarding communication with audit committees, including the overall scope and plans for their audits; and (iii) received the written disclosures and the letter from Moss Adams required by applicable requirements of the PCAOB regarding communications with the Audit Committee concerning independence and has discussed with Moss Adams such independence.

Based on the review and discussions with management, and the Company's independent registered public accounting firm referred to above, the Audit Committee recommended to the Board that the audited consolidated financial statements as of December 31, 2019 and 2018 and for the fiscal years ended December 31, 2019 and 2018 be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2019 (the "2019 Form 10-K").

On April 8, 2020, the Audit Committee approved the engagement of Moss Adams to serve as the Company's independent registered public accounting firm to audit the Company's financial statements for the fiscal year ending December 31, 2020. This appointment for 2020 was based on the Audit Committee's and management's completion of a written evaluation of Moss Adams' performance which included, among other criteria, quality of services provided; sufficiency of the firm's resources; communications and interaction; and independence, objectivity and professional skepticism.

Respectfully submitted,

The Audit Committee: J. Taylor Simonton, Chairman
 Carol Eicher
 R. Carter Pate

AUDIT COMMITTEE APPROVAL OF SERVICES

The Audit Committee pre-approves all audit or non-audit services performed by our independent registered public accounting firm in accordance with Audit Committee policy and applicable law. The Audit Committee generally provides pre-approval of audit services and services associated with SEC registration statements, other SEC filings and responses to SEC comment letters (audit fees) and services related to internal control reviews, internal control reporting requirements and consultations with our management as to accounting or disclosure treatment of transactions or events and the impact of rules, standards or interpretations by the SEC and other regulatory or standard-setting bodies (audit-related fees) for each 12 month period within a range of approved fees. To avoid certain potential conflicts of interest, the law prohibits the Company from obtaining certain non-audit services from its independent registered public accounting firm. The Audit Committee has delegated authority to approve permissible services to its Chairman. The Chairman reports such pre-approvals to the full Audit Committee at its next scheduled meeting. The Audit Committee Chairman pre-approved 100% of the services provided by the independent registered public accounting firm in 2019. None of the services of the independent registered public accounting firms in 2019 were of the type specified in Rule 2-01(c)(7)(i)(C) of Regulation S-X.

PROPOSAL FOUR

APPROVAL OF THE THIRD AMENDMENT TO THE COMPANY'S TAX ASSET PROTECTION PLAN

The Board is asking stockholders to approve the Tax Asset Protection Plan, as amended on April 6, 2018, April 5, 2019 and April 8, 2020 (the "TAPP"). If our stockholders do not approve the TAPP at the 2020 Annual Meeting, the TAPP will expire on December 31, 2020.

Background

We believe that we have valuable tax attributes which are significant assets of the Company. As of December 31, 2019, we had several domestic tax attributes, including federal net operating losses and general business credit carry-overs of approximately \$98.5 million (the "Tax Attributes"). Under the Internal Revenue Code and regulations promulgated by the U.S. Treasury Department, the Company may carry forward or otherwise utilize these Tax Attributes in certain circumstances to offset any current and future taxable income and thus reduce the Company's federal income tax liability, subject to certain requirements and restrictions. To the extent that the Tax Attributes do not otherwise become limited, the Company believes that it will have available a significant amount of Tax Attributes in future years, and therefore these Tax Attributes could be a substantial asset to the Company.

Our ability to use the Tax Attributes could be substantially limited or delayed, however, if we experience an "ownership change," as defined in Section 382 of the Internal Revenue Code. In general, an ownership change occurs if there is a cumulative change in the ownership of the Company by 5% stockholders (as defined for tax purposes) that exceeds 50 percentage points over a rolling three-year period. Accordingly, on May 5, 2017, after consultation with the Company's legal and tax advisors, the Board adopted the TAPP in order to protect the Company's ability to utilize its Tax Attributes. The TAPP initially had a term expiring on December 31, 2018. On April 6, 2018 and April 5, 2019, the Board amended the TAPP to further extend its term, and, again on April 8, 2020 the Board adopted the Third Amendment to again extend the term of the TAPP.

Calculating whether an "ownership change" has occurred is subject to uncertainty. This uncertainty arises from the complexity and ambiguity inherent in Section 382 of the Internal Revenue Code, as well as limitations on the knowledge that any publicly traded company can have about the ownership of and transactions in its securities. We have analyzed the information available, along with various scenarios of possible future changes in ownership. In light of this analysis, we believe that, in the absence of the TAPP, it is possible that we could undergo a subsequent "ownership change" under Section 382 of the Internal Revenue Code, which would substantially reduce our ability to utilize the Tax Attributes. We believe the continuation of the TAPP will serve the interests of all stockholders given the size of the Tax Attributes and the potential loss of value should changes in our stock ownership occur that are sufficient to cause a 50 percentage point or greater "ownership change."

The TAPP is intended to act as a deterrent to any person acquiring beneficial ownership of 4.99% or more of the Company's outstanding Common Stock without the approval of the Board. Stockholders who beneficially owned 4.99% or more of the Company's outstanding Common Stock upon execution of the TAPP will not trigger the TAPP so long as they do not acquire beneficial ownership of additional shares of Common Stock. The Board may, in its sole discretion, also exempt any person from triggering the TAPP.

If the stockholders do not approve the Third Amendment, the TAPP will expire on December 31, 2020. If the stockholders approve the Third Amendment, it will expire on the earlier of (a) December 31, 2021, (b) the time at which the Rights (described below) are redeemed pursuant to the TAPP, (c) the time at which the Rights are exchanged in full pursuant to the TAPP, (d) the effective date of the repeal of both Section 382 and Section 383 of the Internal Revenue Code, or any successor provisions or replacement provisions, if the Board determines that the TAPP is no longer necessary for the preservation of tax benefits or (e) the beginning of a taxable year of the Company for which the Board determines that the Company has or will have no Tax Attributes.

Summary of Terms of the TAPP

The following description of the terms of the TAPP does not purport to be complete and is qualified in its entirety by reference to the TAPP, as amended, which is included as an exhibit to our period reports filed with the SEC and is incorporated herein by reference. A copy of the Third Amendment is attached hereto as Appendix A. We urge you to read carefully the TAPP in its entirety, as the discussion below is only a summary.

The Rights. On May 5, 2017, the Board declared a dividend of one preferred share purchase right (each, a "Right") for each outstanding share of Common Stock to stockholders of record as of the close of business on May 22, 2017. One Right is also issued together with each share of Common Stock issued after May 22, 2017 but before the Distribution Date (as defined below) and, in certain circumstances, after the Distribution Date. Subject to the terms, provisions and conditions of the TAPP, if the Rights become exercisable, each Right would initially represent the right to purchase from the Company one ten-thousandth

of a share of the Company's Series B Junior Participating Preferred Stock, par value \$0.001 per share (the "Series B Preferred Stock") for a purchase price of \$50.00 (the "Purchase Price"). If issued, each fractional share of Series B Preferred Stock would give the stockholder approximately the same dividend, voting and liquidation rights as does one share of Common Stock. However, prior to exercise, a Right does not give its holder any rights as a stockholder of the Company, including, without limitation, any dividend, voting or liquidation rights.

Initial Exercisability. The Rights will not be exercisable until the earlier of (i) ten business days after a public announcement that a person has become an "Acquiring Person" by acquiring beneficial ownership of 4.99% or more of the Company's outstanding Common Stock, or, in the case of a person that had beneficial ownership of 4.99% or more of the Company's outstanding Common Stock upon execution of the TAPP, by obtaining beneficial ownership of additional shares of Common Stock or (ii) ten business days (or such later date as may be specified by the Board prior to such time as any person becomes an Acquiring Person) after the commencement of a tender or exchange offer by or on behalf of a person that, if completed, would result in such person becoming an Acquiring Person.

The date that the Rights become exercisable is referred to as the "Distribution Date." Until the Distribution Date, Common Stock certificates or the ownership statements issued with respect to uncertificated shares of Common Stock will evidence the Rights. Any transfer of shares of Common Stock prior to the Distribution Date will also constitute a transfer of the associated Rights. After the Distribution Date, separate rights certificates will be issued and the Rights may be transferred other than in connection with the transfer of the underlying shares of Common Stock unless and until the Board has determined to effect an exchange pursuant to the TAPP (as described below).

Flip-In Event. In the event that a person becomes an Acquiring Person, each holder of a Right, other than Rights that are or, under certain circumstances, were beneficially owned by the Acquiring Person (which will thereupon become null and void), will thereafter have the right to receive upon exercise of a Right and payment of the Purchase Price, a number of shares of Common Stock having a market value of two times the Purchase Price.

Redemption. At any time until a person becomes an "Acquiring Person," the Board may redeem the Rights in whole, but not in part, at a price of \$0.00001 per Right (the "Redemption Price"). The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the Board in its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

Exchange. At any time after a person becomes an Acquiring Person, the Board may exchange the Rights (other than Rights that have become null and void), in whole or in part, at an exchange ratio of one share of Common Stock, or a fractional share of Series B Preferred Stock (or of a share of a similar class or series of the Company's preferred stock having similar rights, preferences and privileges) of equivalent value, per Right (subject to adjustment). Immediately upon an exchange of any Rights, the right to exercise such Rights will terminate and the only right of the holders of Rights will be to receive the number of shares of Common Stock (or fractional share of Series B Preferred Stock or of a share of a similar class or series of the Company's preferred stock having similar rights, preferences and privileges) equal to the number of such Rights held by such holder multiplied by the exchange ratio. The Board shall not be empowered to effect such exchange at any time after an Acquiring Person becomes the beneficial owner of 50% or more of the Company's outstanding Common Stock.

Expiration. The Rights and the TAPP will expire on the earlier of (i) the close of business on the earlier of (a) December 31, 2021, or (b) December 31, 2020 if stockholder approval has not been obtained prior to such date, (ii) the time at which the Rights are redeemed pursuant to the TAPP, (iii) the time at which the Rights are exchanged in full pursuant to the TAPP, (iv) the effective date of the repeal of both Section 382 and Section 383 of the Internal Revenue Code, or any successor provisions or replacement provisions, if the Board determines that the TAPP is no longer necessary for the preservation of tax benefits or (v) the beginning of a taxable year of the Company for which the Board determines that the Company has or will have no tax benefits.

Anti-Dilution Provisions. The Board may adjust the Purchase Price, the number of shares of Series B Preferred Stock or other securities or assets issuable and the number of outstanding Rights to prevent dilution that may occur as a result of certain events, including among others, a stock dividend, a stock split or a reclassification of the Series B Preferred Stock or Common Stock. With certain exceptions, no adjustments to the Purchase Price will be required until cumulative adjustments amount to at least 1% of the Purchase Price.

Amendments. For so long as the Rights are redeemable, the Board may supplement or amend any provision of the TAPP in any respect without the approval of the holders of the Rights. From and after the time the Rights are no longer redeemable, the Board may supplement or amend the TAPP only to cure an ambiguity, to alter time period provisions, to correct inconsistent provisions, or to make any additional changes to the TAPP which the Company may deem necessary or desirable, but only to the extent that those changes do not impair or adversely affect any Rights holder (other than an Acquiring Person or any Affiliate or Associate of an Acquiring Person or certain of their transferees) and do not result in the Rights again becoming redeemable or the TAPP again becoming amendable other than in accordance with this sentence.

Certain Considerations Related to the TAPP

Our Board believes that protecting the Tax Attributes is in the Company's and our stockholders' best interests. Nonetheless, we cannot eliminate the possibility that changes in our stock ownership will occur sufficient to cause an "ownership change" even if the TAPP is approved. You should consider the factors below when making your decision.

Future Use and Amount of the Tax Attributes is Uncertain. Our use of the Tax Attributes depends on our ability to generate taxable income in the future. We cannot assure you whether we will have taxable income in any applicable period or, if we do, whether such income will exceed any potential Section 382 limitation and therefore we cannot assure you that we will realize the full value of the Tax Attributes.

Potential Challenge to the Tax Attributes. The amount of the Tax Attributes has not been audited or otherwise validated by the Internal Revenue Service (the "IRS"). The IRS could challenge the amount of the Tax Attributes, which could result in an increase in our liability for income taxes. In addition, determining whether an "ownership change" has occurred is subject to uncertainty, both because of the complexity and ambiguity of the Section 382 provisions and because of limitations on the knowledge that any publicly traded company can have about the ownership of, and transactions in, its securities on a timely basis. Therefore, we cannot assure you that the IRS or other taxing authority will not claim that we experienced an "ownership change" and attempt to reduce the benefit of the Tax Attributes even if the TAPP is in place.

Continued Risk of Ownership Change. Although the TAPP is intended to diminish the likelihood of an "ownership change," we cannot assure you that it will be effective. The amount by which our ownership may change in the future could, for example, be affected by purchases and sales of stock by stockholders and new issuances or repurchases of stock by us, should we choose to do so.

Potential Effects on Liquidity. The TAPP is intended to deter persons or groups of persons from acquiring beneficial ownership of shares of our Common Stock in excess of the specified limitation. A stockholder's ability to dispose of our Common Stock may be limited if the TAPP reduces the number of persons willing to acquire our Common Stock or the amount they are willing to acquire.

Potential Impact on Value. The TAPP could negatively impact the value of our Common Stock by deterring persons or groups of persons from acquiring shares of our Common Stock, including in acquisitions for which some stockholders might receive a premium above market value.

Anti-Takeover Effect. Our Board adopted the TAPP to diminish the risk that our ability to use the Tax Attributes to reduce potential federal income tax obligations becomes limited. Nonetheless, the TAPP may have an "anti-takeover effect" because it will deter a person or group of persons from acquiring beneficial ownership of 4.99% or more of our Common Stock or, in the case of persons or persons that already own 4.99% or more of our Common Stock, from acquiring any additional shares of our Common Stock. The TAPP could discourage a merger, tender offer or accumulations of substantial blocks of shares.

Board Recommendation

The Board recommends that you vote "**FOR**" the approval of the Company's Third Amendment of the Tax Attributes Protection Plan.

DELINQUENT SECTION 16(A) REPORTS

Section 16(a) of the Exchange Act requires our officers, directors, and persons who beneficially own more than 10% of a registered class of our equity securities to file reports of ownership with the SEC. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

For the fiscal year ended December 31, 2019, the following persons subject to Section 16(a) beneficial ownership reporting filed late reports:

Reporting Person	No. of Late Reports	Total No. of Transactions Reported Late
Gilbert Li (1)	1	1

(1) These securities are directly held by Clients, Funds, and Affiliates ("Accounts") that are managed by Alta Fundamental Advisers LLC ("Alta"). Gilbert Li, a Director, is Managing Partner of Alta. In addition, Mr. Li is an investor in one or more of these Accounts and therefore is an indirect beneficial owner of a portion of these shares.

The Company is not aware of any other unreported transactions for 2019.

OTHER MATTERS

The Board knows of no other business to be presented at the Annual Meeting. If other matters properly come before the Annual Meeting, to the extent permitted by law, the persons named in the accompanying form of proxy intend to vote on such other matters in accordance with their best judgment.

PROPOSALS OF STOCKHOLDERS FOR PRESENTATION AT THE NEXT ANNUAL MEETING OF STOCKHOLDERS

If a stockholder intends to submit a proposal at the meeting that is not included in our Proxy Statement, and the stockholder fails to notify us prior to March 15, 2021 of such proposal, then to the extent permitted by law, the proxies appointed by our management would be allowed to use their discretionary voting authority when the proposal is raised at the Annual Meeting, without any discussion of the matter in the Proxy Statement. The stockholder must disclose, among other items, certain information related to the business to be proposed at the meeting, its beneficial ownership in the Company and whether it is acting in concert with other stockholders or interested parties. For a complete list of information that stockholders must provide, see Section 2.03 of the Company's bylaws.
